

PULP FRICTION IS GOING ELECTRONIC!

... AND YOUR RESPONSE IS REQUIRED TO RECEIVE FUTURE ISSUES!

Our new Webmaster has been busy updating and improving the Local 10-B website, which has spurred us to go electronic! Local 10-B is revising the *Pulp Friction* distribution system according to the way you, the reader, would like to peruse it.

Pulp Friction issues are now available at our website at www.ceplocal10b.com. During the website "renovations" additional issues will be added, so check out the website occasionally to see what's new! If you'd like to receive an electronic copy via email when it's published, contact us at cep10-b@telus.net. If you do not have access to a computer and would like to continue receiving a hard copy, phone the Office or send the completed form below by snail-mail. Regardless of method of delivery, all names and addresses will remain in our database, but we do depend on you to update this information when necessary.

**** PLEASE BE ADVISED THAT IF WE DO NOT RECEIVE A RESPONSE TO THIS NOTICE, YOU WILL NOT RECEIVE FUTURE ISSUES OF *PULP FRICTION*; THIS APPLIES TO EVERYONE ON OUR MAILING LIST.**

I would like to continue to receive a hard copy of *Pulp Friction* in the mail.
